D. SITARAMA RAO,
Executive Engineer.

MYSORE DIVISION.

ADVERTISEMENT.

The 22nd October 1888.

Tenders are invited in connection with the improvement and extension of the Kallahalli Channel in the Attikoppa Taluk. The estimate cost of which is about Rs. 40,000.

2. Tenders should be sent in seald covers superscribed "Tenders for the Kallahalli Channel works contract Section No. to the Executive Engineer, Mysore Division," and should reach him before the noon of 15th November 1888.

3. The works to be carried out are :—

Repairing the anikat, constructing a new head sluice, widening, grading and otherwise improving the existing channel for the first 6½ miles and extending it up to 16th mile stone, and constructing distribution sluices, weirs, bridges and superpassages.

4. The work will be divided into 4 sections of 4 miles each. Each intending contractor may tender for one or more sections but tenders for different sections must be made separately.

5. Each intending contractor should tender rates for the following items of work.

6. The Executive Engineer does not bind himself to accept the lowest or any tender, nor will he assign any reason for the non-acceptance of any tender.

7. Contractors must execute contract bonds within 8 days of intimation being sent to them of the acceptance of their tenders.
